## EDUCATION

### PBR Visvodaya Institute of Technology & Science

Bachelor of Technology in ECE - 7.8/10 CGPA

Aug 2021 - May 2025

### Sri Chaitanya Junior College

Intermediate - 8.9/10 CGPA

Aug 2019 - Jun 2021

### Viswam E.M high School

Tenth - 9.7/10 CGPA

Aug 2018 - Jun 2019

## WORK EXPERIENCE

### Skill Dzure

Intern

Jun 2024 - Aug 2024

- I successfully completed a 2-month internship in Embedded Systems, Organized by SkillDrize in collaboration with Andhra Pradesh State Council of Higher Education, I gained hands-on experience in embedded system design and development.

### Intern Certify

Java Full Stack

2024 - 2025

- I successfully completed a 3 months internship in Java full stack Organized by Intern Certify in collaboration with Andhra Pradesh state council of Higher Education, I gained hands-on experience in java full stack programming

## PROJECTS

### Signature Verification using Structural Feature Extraction Methods

Sep 2024 - Jan 2025

- Utilized structural feature extraction methods for signature verification, analyzing geometric and topological features of signatures to authenticate identities. Employed techniques such as graphology, contour analysis, and stroke direction extraction to identify unique signature patterns, ensuring accurate verification and reducing false positives.

### E-Commerce Application on IBM Cloud Foundry

Dec 2023 - Mar 2024

- Designed and developed a scalable e-commerce application on IBM Cloud Foundry, utilizing cloud-native services to provide a seamless shopping experience. The application features a responsive user interface, secure payment gateway integration, and real-time inventory management.

## SKILLS

- Programming Languages: Python, C, C++
